KULLIYAH OF SCIENCE

Our reference: IIUM/307/CTS/2/1/IMC2020

Date: 16th April 2020

Sir/Madam,

CANCELLATION OF PROGRAMME: IIUM MATHEMATICS COMPETITION 2020 (IMC2020) DUE TO COVID-19 PANDEMIC

First of all, we would like to thank all students and schools who have been supporting this programme IIUM Mathematics Competition all this while.

Since early 2020, the world has been facing a global health crisis and uncertainty due to the outbreak of Covid-19 pandemic. Mass gathering and close social activities should be avoided until we are completely free from this uncertainty. A careful fundamental rules of hygiene, good behaviour and general cleanliness should be observed continuously.

Because of this, the organiser has decided to **cancel this year 2020 competition** with the hope that we will continue this competition once again in year 2021, *InshaAllah*.

Safety is always the priority and we respect the urgency of schools management to take care of the welfare and the academic matters of the students after months away from the school.

If you have any concern or question, please contact us via this email: cts@iium.edu.my.

Stay safe and best wishes,

DR. SITI FATIMAH BINTI ZAKARIA

Chairman of IMC 2020
Kulliyah of Science,
International Islamic University Malaysia.
